First floor

Reading room
The bookshelves, the journal-reading area and the reading room are at the 1st floor. In the library there are no reference library.

On the shelves the documents are separated as follows:

- **Literature**
- **Dictionaries**
- **Polite literature**
- **Standards**

Information on the collection, services and on-line catalogue of the library can be asked from the reference librarians on both side of the 1st floor.

Computers in front of the reference desks and on the desks are primarily for searching in the on-line catalogue.

In the frame of TIOP-1.3.1 the University bought two multifunctional machines for copying, scanning and printing. One of them is on the Eastern part of the 1st floor.
